

Press Release — 10th November 2021

Swintt teams up with Vulkan Casino

Localised slot and live game specialists goes live with first partner on the Ukrainian market and brings product to a brand new player base

Having already established a reputation for themselves as the go-to providers of highly localised slots and live casino games, Swintt have taken another huge step forward this month by signing a partnership deal with Ukraine-licensed casino, [Vulkan Casino](#).

The new agreement represents the company's first deal in the Ukrainian gambling market and will now enable the popular casino platform to expand their product offering by providing players with their full suite of slots, SwinttLive casino games and their innovative gamification tool, SwinttGamify.

This means that players at [vulkancasino.ua](#) will now be able to access some of the in-demand software provider's most popular titles, including Lone Rider XtraWays™, Sea Raiders and Zombies on Vacation, as well as the brand-new Book Of The East and the highly-anticipated upcoming premium slot, Sweetania.

With the full suite of Swintt slots making their debut in the country, Ukrainian players will also be given a first look at some of the provider's innovative pay features, such as the unique XtraWays™ system. Found in games like Lone Rider XtraWays™ and the soon-to-be-released Rock n' Ways XtraWays™, the system is unique to Swintt slots and rewards player with up to 262,144 ways to win and up to 25,000 multiplier in the case of Rock n' Ways XtraWays™.

Games that feature the XtraWays™ system enable players to collect special symbols that expand the reels by up to five positions for the next spin. Should they go on to land subsequent XtraWays™ icons, the reels will continue to grow until the full game board is unlocked, opening up the maximum number of ways to win and potentially creating multiple pay line combinations for truly huge prizes. Vulkan Casino is a recognizable and time-tested brand that is focused on providing high-quality services: games from famous providers, secure data storage, a wide bonus program, and more. The addition of Swintt games to their impressive

catalogue of titles will further enhance their position as they offer even more choice to players.

David Mann, Chief Commercial Officer at Swintt, said: “Throughout 2021, we’ve seen rapid expansion at Swintt and we are now able to offer more games in more markets than ever before. The deal with vulkancasino.ua will allow us to reach an entirely new audience and we really think Ukrainian players are going to love taking our state-of-the-art slots and live casino games for a spin.”

Anna Dmytriieva, Communication director at Vulkan Casino added: “As a fully licensed and regulated Ukrainian online casino, we pride ourselves on offering players the best games from the industry’s leading providers. The addition of Swintt’s suite of slots and live casino games will enable us to strengthen our position as market leaders while offering even more choice to customers. We’re delighted to have Swintt on board for what promises to be an exciting partnership for both parties going forward.”
